

Aztec Group maintains top spot among Channel Islands' fund administrators

With more than US\$296billion of assets under administration across Jersey and Guernsey, the 27th editions of Monterey's Fund Reports confirmed the Aztec Group's leading position.

The reports also showed that the Group holds top spot amongst the Channel Islands' transfer agents, with total net assets of US\$279billion.

Chief Executive Officer Edward Moore said: "Being named the Channel Islands' leading fund administrator and transfer agent is a testament to the hard work and commitment of all of our teams in the Channel Islands and across the wider group.

"They are dedicated to delivering the best possible service to our clients, and we're proud to see that dedication reflected in our market-leading position."

The Monterey reports showed that fund assets serviced in the Channel Islands increased by more than 20% in the year to June 2021, topping US\$1.1trillion.

Managing Director Geraldine O'Rourke said: "As the industry continues to grow, we plan to maintain our leading position through the strength of our teams, our technology and our knowledge of the market, setting us apart in the service we offer to our clients."
