Hana Prochaska to speak at the ALFI PE & RE Conference

On Tuesday 30 November, our Head of Business Development Europe, Hana Prochaska, will be speaking on the 'Efficiency in alternatives servicing' panel session at the ALFI PE & RE Conference in Luxembourg.

She'll discuss ESG, the value of data, the impact of automation on the workforce, the future outlook in connection with technology and M&A activity in the asset servicers market.

The session will be moderated by Sara Gilbert, Business Development Lead at Northern Trust. Also joining the panel will be Tom Timmerman, ESG and Sustainability Manager at MJ Hudson, Didier Delvaux, County Head of Luxembourg U.S Bank and Jörg Grossmann, Global Head of Products at Allfunds.

The two day conference will bring together senior private equity and real estate professionals to discuss an ever-changing business environment, operational considerations and industry best practices, and how to maximise efficiency in administration and operations.
