

We've been shortlisted for 'Fund Administrator of the Year' at the 2020 Private Equity Awards!

We're delighted to have been shortlisted for 'Fund Administrator of the Year' at the 2020 Real Deals Private Equity Awards. This is the eighth consecutive year that we have been nominated for the award.

The annual awards are designed to recognise the leading companies and professionals within the European private equity industry.

During the last year, we have continued to grow organically and attract significant new clients across all of our locations. We now manage over €370bn in AUA and 440 funds for a wide range of clients, from large institutions and multi-national corporates to mid-market firms and first-time fund managers.

The winner of the prestigious award will be decided by a panel of GP judges in March, and will be announced at a ceremony in London on 22 April.
