# Job Description

## Depository Fund Accountant

### Reports to Depository Manager

The purpose of this position is to assist with the routine day-to-day functions of the Aztec Luxembourg depository services offering under the direction of a Depository Manager.

#### Key responsibilities:

- + Assist with all aspects of the record keeping of funds and associated fund structures
- + Assist with all aspects of depository matters, including the preparation of asset confirmation, reconciliation and proofing of investment holdings and ad-hoc depository requests
- + Assist with the completion of routine depository queries
- + Prepare periodic cash reconciliations and provide or source supporting documentation evidencing transactions
- + Maintain accurate records on eFront and Microsoft Excel working paper schedules for all aspects of depository procedure

#### Skills, knowledge, expertise:

- + The candidate will have the opportunity to study towards a relevant professional qualification
- + Sound technical financial services knowledge (to be supported through the Aztec Academy)
- + Computer literacy skills are essential

We will provide the training, both in house for relevant technical knowledge and also professional qualifications to enhance your professional development. You will need to be quick to learn new systems and great with people, as close working relationships between our colleagues and clients is at the heart of what we do.
