

An alternative career in finance

Finance Manager

Following strong organic growth we are on the lookout for a bright individual to join our finance team; individuals need to be motivated and have a desire to support our business by enhancing the service provided by our finance function.

Since our inception in 2001 we have placed a strong emphasis on the personal and professional development of our employees, providing an opportunity for individuals to truly progress and shine. This investment on the people behind our services has paid off and we are proud to have maintained an industry-leading employee retention rate for over ten years.

Job Description

Finance Manager

Reports to Head of Finance

We are looking for an ambitious and motivated individual to support the continued growth in our business, through the provision of timely and accurate financial and management information.

Key responsibilities:

- + Responsible for all aspects of accounting for the Aztec Group across the multiple European jurisdictions in which we operate
- + Ensure a robust and continually evolving control environment is maintained, including maintenance of all balance sheet reconciliations
- + Management and mentoring of staff
- + Creation, analysis and support of management information to the business
- + Responsible for the development and delivery of management and statutory financial statements
- + Effective business partnering across the multiple jurisdictions and product groups in which we operate
- + Management of the year-end audit process
- + Review of periodic direct and indirect tax returns

Skills, knowledge, expertise:

- + The candidate will be expected to hold a relevant professional qualification (ACCA, ACA or CIMA) and a minimum of 3 years post qualification experience
- + Experience of MI and business partnering in a finance function
- + Sound technical accounting and reporting experience
- + Computer literacy and Excel skills are essential
- + Excellent interpersonal skills are required to develop close working relationships with colleagues, clients and business contacts
- + People management experience

We will provide the training, both in house for relevant technical knowledge and also professional qualifications to enhance your professional development. You will need to be quick to learn new systems and great with people, as close working relationships between our colleagues and clients is at the heart of what we do.
